### SONG OF THE WEEK

### ADVERTISEMENT

New Artiste, **Seyi Afeni** releases his first single titled "**Loworo**" which means 'With Ease' in Yoruba language.

When life presses and things feel stressed, when problems overwhelm, and hardships come our way, our focus gets blurred. We somehow start to believe that it all depends on "us." Like maybe we blew it, messed up and got ourselves off the course from "the road to "success." We spin our wheels trying to find a fast way out of difficulty.
